How to get to your hotel

Remark:

In Konstanz, all cycle paths are marked by white signs with green lettering. The respective destination is marked by a coloured dot.

Coming from the train station / town centre:

Follow the course of Konzilstrasse to the right and continue to Fischmarkt. Here you have to cross the road to reach the cycle path, which follows the left hand side of the road. Cycle straight on, over the "Old Rhine Bridge" (railway and traffic bridge). After crossing the bridge, turn right and cycle through another subway. Once you have crossed it, keep left and continue through the subway heading for Reichenau (green dot). After 200 metres you will see your hotel on the right hand side of the road.

Coming from the direction of Meersburg / Ferry:

As you leave Konstanz' ferry port, follow the cycle path for Konstanz (KN-Zentrum, yellow dot). After about 3.5 km you reach Sternenplatz. Turn right opposite the bus stop, before the path takes you through the subway, and cycle along Spanierstrasse. After 200 metres you will see your hotel on the right hand side of the road.

Coming from the direction of Steckborn / Ermatingen:

Follow the Bodensee Radweg (Lake Constance cycle path) from Gottlieben to Konstanz. Once you have crossed the border, turn left into Griesseggstrasse and follow the cycle path signs through Fischenzstrasse towards Mainau (blue dot). You go past the "Schänzle" sports grounds and continue also passing underneath a 4-lane bridge until you get to the cycle bridge. Cross the bridge and follow the cobbled path to the traffic lights. Turn right in front of the traffic lights into Spanierstrasse. Your hotel is at the next crossing on the opposite side of the road.

Coming from the direction of Romanshorn:

Follow the Bodensee cycle path (Lake Constance cycle path) to Kreuzlingen. You pass Villa Seeburg/youth hostel as you go through the SeePark. At the end of the park you will arrive at Seestrasse, at the harbour. Turn left and follow the cycle path towards Konstanz. At the end of the street, follow the signs for inline skaters and turn left BEFORE the border point, taking you over the railway line. Turn right at the next opportunity into Wiesenstrasse. After about 150 metres, turn left into Zollstrasse. Cross the main road and follow the course of Grenzstrasse to the Emmishofer border control

point. Continue straight ahead into Schottenstrasse. At the end of this road you arrive at the cyclists bridge (a bridge exclusively for pedestrians and cyclists). Cross the bridge and follow the cobbled path to the traffic lights. Turn right in front of the traffic lights into Spanierstrasse. Your hotel is at the next crossing on the opposite side of the road.

Coming from Radolfzell / Reichenau:

Follow the Bodensee cycle path (Lake Constance cycle path) along the B 33 to Konstanz. You follow the Reichenaustrasse through Konstanz' industrial estate.
